

Content Priority Guide Portfolio Website:

1. Homepage

Navbar: Home About Portfolio Work History

This navbar will let you navigate to different parts of my webpage

Headline: WEB 1

Hero Image: My Face

About me: Paragraph about me

Work History: I want this webpage to look like a portfolio/resume so if I were to show this to a future employer they would think of it as just that, an interactive portfolio.

Contact me:

Ways to contact me

Portfolio pieces:

Subtitles: Drawings, Designs, Photographs
